

# **CHÂTEAU CARBONNIEUX**

## **Grand Cru Classé De Graves**

June 2022

### **CHATEAU CARBONNIEUX– RED 2020**

- The eye:** The wine has a ruby colour with density and beautiful purple glints.
- The nose:** The first nose, superb, immerses uncompromisingly in essences of fruits and flowers oscillating between blueberry and violet. There is also a nice bouquet of spices of white pepper and cloves. After swirling, smokier notes and fresher notes of red cedar finally exhale.
- The mouth:** The mouth is very elegant, its attack is round and suave. The balance and accuracy of this wine are impressive. When the wine takes on its full expression, we enjoy the fruity and floral notes perceived on the nose, full of brilliance and delicacy. Its length on the palate, fine and tasty, already shows its ability to age well.
