

CHÂTEAU CARBONNIEUX

Grand Cru Classé De Graves

Pessac - Léognan

Red

From the Middle Ages up to today, the red and white wines of Château Carbonnieux have crossed centuries. In 1959, they definitively earned the title of Grand Cru Classé for both colors.

The Benedictine monks from the Holy Cross Abbey in Bordeaux, the Ferron and Bouchereau families, Thomas Jefferson, the Sultan of Constantinople and many others have played a part in giving the wines from Château Carbonnieux their international reputation. Today, the Perrin family, who have been running the estate for three generations, are still working enthusiastically to perpetuate the history of this vineyard now at its peak.

The Château Carbonnieux vineyard for red wine is planted on a fine, naturally-drained outcrop of Garonne gravel. Situated in the heart of the Pessac-Léognan appellation, this prestigious terroir is remarkable for its morphology and the diversity of its soils.

Red wines are sensuous even when young but they reveal their full aromas and richness of flavor and texture after several years of aging. With its well-balanced and silky tannins in harmony with its fruit, Château Carbonnieux red has for centuries been a great Bordeaux classic.
